## Other Wells Fargo Benefits

### 3 Things to watch out for when shopping online for the holidays

1. Fake Fraud alerts. Be careful if you receive a call or message about a fraudulent purchase. Always contact the merchant, your bank or card provider directly to verify.
2. Bogus shipping notifications. Look out for texts or emails that say there's an issue or problem with your package delivery. Don't click links or open attachments without verifying first.
3. Questionable sellers or sites. Watch out for sellers who pressure you to pay with a payment app, gift card or crypto. Only purchase concert and sporting events tickets from the original legitimate site. Be cautious of buying a new kitten or puppy from a social media ad. Meet the pet in person before paying.

Tip: Use a credit card to make online purchases if you can - it has additional security features built in.

### How to donate safely this holiday season

This holiday season, safely support your favorite causes and avoid charity scams. Before donating, research new charities using a resource like Better Business Bureau® or give.org.

## IMPORTANT ACCOUNT INFORMATION

### ATM Cash Deposit Security Limitations

Effective November 6, 2024, the section of the Deposit Account Agreement titled "Depositing Funds," subsection titled "Our right to decline deposits," is deleted and replaced with the following:

#### Our right to decline deposits

We may decline all or part of a deposit, including cash, for any reason. This could happen, for example, if a payee isn't a co-owner, authorized signer, or authorized representative on your account, we can't verify an endorsement, the check was issued from a credit account, the dollar amount of the deposit, the check looks suspicious, or it's a non-U.S. item. If we decline a deposit that you mailed to us, we may return it to you at your cost (including charging you for postage and handling to return foreign currency coin or paper), or retain any invalid checks or other documents included in the deposit without crediting your account, at our discretion. There are limits on the total dollar amount of checks that can be deposited at Wells Fargo ATMs per transaction. We may decline ATM check deposits that exceed \$1 million. For security reasons there may also be limits on the dollar amount or frequency of cash deposits you can make at Wells Fargo ATMs.

---

If we cannot verify an endorsement, we can also decline to pay, cash, or send the item for collection. We can require that all endorsers be present and that you deposit the item instead of cashing it.

Non-account owners are not allowed to deposit cash into consumer accounts. For business accounts, any person wanting to make a cash deposit must provide an acceptable form of identification before we accept a cash deposit.

#### Wells Fargo Deposit Account Agreement: Changes To Consumer Arbitration Agreement And Other Dispute Resolution Provisions

Effective November 6, 2024, we are updating the Wells Fargo Deposit Account Agreement. This includes changes to the dispute resolution provisions. Wells Fargo greatly values and appreciates its relationships with its customers. These changes are designed to ensure that in the unlikely event that a dispute arises between us, that there are streamlined procedures in place to ensure a fair and efficient process in arbitration.

The changes to the arbitration agreement applicable to Consumer Accounts ("Arbitration Agreement" or "Agreement") can be found at pp. 38-39 of the Wells Fargo Deposit Account Agreement, including: (a) the party initiating arbitration must sign the arbitration demand and include certain information in its demand; (b) any party may request to have the arbitration conducted by a video or in-person hearing or through written submissions, with certain exceptions; (c) like in federal court, the arbitrator may issue sanctions or order cost shifting under certain circumstances consistent with the Federal Rules of Civil Procedure; (d) all issues are for the arbitrator to decide, except that issues relating to whether an arbitration agreement exists or whether a dispute falls within that agreement, or whether the agreement is enforceable, are for a court to decide; and (e) a small claims court will determine whether a dispute falls within its jurisdiction if a party chooses to have a claim brought to such a court.

The updates also include changes to the Additional Terms and Services, located at pp. 42-43 of the Wells Fargo Deposit Account Agreement, including: (a) modifications to the class action waiver applicable in arbitration and litigation; and (b) the addition of a venue provision noting that if the Arbitration Agreement is ever deemed not applicable, then, except for disputes brought in small claims court, the parties consent to the jurisdiction of the state or federal courts in the state whose laws govern the consumer's account.

The revised Deposit Account Agreement, effective November 6, 2024, is available at [www.wellsfargo.com/online-banking/consumer-account-fees/](http://www.wellsfargo.com/online-banking/consumer-account-fees/), by calling the Bank at the number listed on your account statement, or by visiting a branch.

**NEW YORK CITY CUSTOMERS ONLY --** Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.

---

Please note: Your account has an ending balance of zero as of the date of this statement. Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account. We may close an account with a zero balance on the fee period ending date or at month end without prior notification to you. Once an account is closed (either by you or us), no fees will be assessed on the account.

- To prevent closure by us without notification, an account with a zero balance must have a qualifying transaction posted within the last two months of the most recent fee period ending date.
- Examples of qualifying transactions are deposits and withdrawals made at a branch, ATM, online, mobile, or via telephone; one-time and recurring transfers made at a branch, ATM, online, mobile, or via telephone; automatic or electronic deposits, such as from payroll or government benefits; automatic or electronic payments, including Bill Pay; one-time and recurring purchases or payments made using a card or mobile device; and checks paid from the account.
- Bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions that will prevent closure of an account with a zero balance.
- If you do not plan to keep this account, we encourage you to redirect recurring deposits and payments to another account.

Questions? Please contact your banker or call the phone number appearing on your statement.

We appreciate your business. Thank you for choosing Wells Fargo.
